

Happy New Year!

NEWPORT NEWS - January 2016

Happy New Year!

Another year has flown by, and here we are, at the start of a new one.

Welcome back everyone!

Firstly we would like to say a big thank you to all the parents/carers who showed their support by attending the Christmas performances. The children thoroughly enjoyed showing off their talents and seeing you all in school.

We would also like to say thank you for all of the contributions you made towards the Christmas Fayre. We managed to raise a staggering £1100 which will help us fund extra curricular activities, trips and equipment needed for the children.

As you are probably aware we have had some very exciting building work going on over recent months. We are very happy to inform you that this is nearly complete and we will be

inviting parents/carers into school for a grand tour at the end of January. This will enable you to see the amazing new working environments we have for the children. Details will follow shortly. We hope you can make it!

Please look out for curriculum newsletters coming next week. These will inform you what your child will be learning throughout the next term.

Mrs Winterbottom 25 Years Service!

Mrs Winterbottom has been employed by Newport Primary School for 25 years this week. We would like to say a huge thank you to her for the level of dedication and commitment she has shown throughout the years to the school and children over the years.

Reminders

Please ensure your child brings their PE kit to school on the days they have PE. You can find this information on the notice boards around school, on the upcoming curriculum newsletter or on schools website and app.

We are always looking for new members for our School PTA group. If you have any ideas you would like to share on fundraising for the school, please contact the school office for dates of the PTA meetings.

Please ensure your children come to school dressed appropriately in uniform and for the colder weather. Details of school uniform along with prices can be found on the notice boards around school, on the upcoming curriculum newsletter or on schools website and app.

PD Day

School will be closed on **Wednesday 10th February** for a Staff Training Day
