About Newport Primary School

Newport Primary School is a welcoming and inclusive learning community, committed to providing a high-quality education for all pupils. We pride ourselves on knowing our children well, nurturing positive relationships, and ensuring that every child feels safe, valued and supported to achieve their full potential. Inclusion, ambition and consistency are central to our work.

About the role

We are looking for a flexible team player who is happy to work in a class-based role and also support the school through elements of PPA cover. We are looking for an inspirational teacher who can demonstrate effective classroom practice and has high expectations for all pupils, regardless of starting point. For this post we are looking for M3 – M6 teachers only.

What we can offer

We offer a positive, nurturing learning environment with engaged and caring pupils who enjoy coming to school and take pride in their learning. Our school is committed to continual improvement through reflective practice and values collaboration, supporting staff to work together as a dedicated and motivated team. Leadership is approachable and supportive, placing the needs of children and the wellbeing of staff at the heart of decision-making, with a considerate and balanced approach to workload.

What we are looking for

Many of our children experience barriers to learning and often begin school at different stages of development compared to age related peers. Through skilled, intentional teaching, clear routines, and high-quality support, pupils are enabled to make strong progress academically, socially and emotionally.

We are looking for a teacher who can show secure knowledge of the primary curriculum and assessment who has high expectations for all pupils, recognising their potential regardless of starting point. The successful candidate should have a strong commitment to inclusive practice, meeting the needs of all learners and demonstrate that they can work effectively as part of a collaborative team, contributing positively to whole-school improvement.

Newport Primary School is committed to safeguarding and promoting the welfare of all children. This appointment will be subject to safer recruitment procedures and therefore requires a fully enhanced DBS check and two satisfactory references.

If you would like the opportunity to look around the school, please contact the school office to arrange.
