

Music Vision

At Newport, our vision for Music is to inspire all pupils to become confident, creative and expressive musicians who can appreciate, perform and create music from a wide range of styles and cultures.

Through a rich and engaging curriculum, pupils develop musical skills, listening abilities and confidence in performance, enabling them to express themselves and connect with others. We celebrate the diversity of our school community in Middlesbrough by exploring music from different cultures, traditions and genres, ensuring every pupil feels represented and inspired.

Music at Newport provides a powerful platform for self-expression, collaboration and cultural understanding, helping pupils develop a lifelong appreciation of music.
